IF YOU CALL OR WRITE US
PLEASE USE WC CLAIM NO.

I have your letters relating to the release of social security information in the Gloria claim.

I agree with Mr. Angermeier. Since we do not offset SSI benefits, the release is not necessary. Further, the medical records held by the Social Security Administration, if any, are or should be readily and directly available from the medical providers. That would be true even if the employe were receiving social security disability benefits. Therefore, please proceed with this claim as you would any other.

Sincerely,

Mary Lynn Endter
Administrative Law Judge
